Synopsis

Afghanistan has been a crucible of instability for decades, marred by war, terrorism, and political turmoil. In 'Afghanistan: Political Stability Dream Unrealised,' author Dr. Emily Carter unravels the complex historical, social, and political factors that have shaped this troubled nation's destiny.

The book traces Afghanistan's journey from the Soviet invasion in 1979 to the current Taliban resurgence. It examines the failed attempts at peace and stability under various regimes, including the U.S.-backed Afghan government and the Taliban's previous and current rule.

'Afghanistan: Political Stability Dream Unrealised' provides a comprehensive analysis of the internal and external forces that have hindered Afghanistan's progress towards a stable and prosperous future. It explores the role of warlords, ethnic and sectarian divisions, corruption, and foreign intervention in prolonging the cycle of violence.

Drawing on extensive research and firsthand accounts, Dr. Carter offers a nuanced and balanced perspective on Afghanistan's complex reality. The book is essential reading for anyone seeking to understand the challenges and prospects for peace and stability in this war-torn country.

Key Features

- In-depth analysis of Afghanistan's historical, social, and political dynamics
- Examination of the failures and successes of various peacebuilding efforts
- Discussion of the role of warlords, ethnic and sectarian divisions, and corruption in perpetuating instability
- Assessment of the impact of foreign intervention on Afghanistan's political stability
- Exploration of the challenges and prospects for a stable and prosperous future

Reviews

“Dr. Carter's book is a must-read for anyone interested in understanding the complexities of Afghanistan's political instability. Its comprehensive analysis and nuanced perspectives provide valuable insights into the challenges facing this troubled nation.” — Professor John Smith, Harvard University

“A timely and important contribution to the literature on Afghanistan. Dr. Carter's rigorous research and balanced analysis shed light on the deep-rooted factors that have hindered Afghanistan's pursuit of political stability.” — Ambassador Jane Doe, former U.S. Ambassador to Afghanistan

About the Author

Dr. Emily Carter is a renowned scholar of Afghan politics and history. She has conducted extensive research on the country, including fieldwork in Afghanistan during the U.S.-led war. Dr. Carter has published numerous articles and books on Afghan affairs, including the critically acclaimed 'The Roots of Instability in Afghanistan.' Her expertise has been widely recognized through her contributions to international media outlets, policy briefings, and academic conferences.
