

Charlton Heston: Hollywood's Last Icon

Charlton Heston was a legendary actor, political activist, and one of the last true icons of Hollywood's Golden Age. His towering presence on screen and his unwavering commitment to his beliefs made him a beloved and respected figure for generations of fans.

In this captivating biography, renowned author and film historian David Morgan delves into the extraordinary life and career of Charlton Heston. From his humble beginnings in Evanston, Illinois, to his rise to stardom in Hollywood, and his later years as a vocal advocate for conservative causes, Morgan paints a vivid and compelling portrait of a man who lived life on his own terms.

Charlton Heston: Hollywood's Last Icon by Marc Eliot

Heston's career spanned over six decades and included some of the most iconic films in cinematic history. He played Moses in the epic "The Ten Commandments," Judah Ben-Hur in the Oscar-winning "Ben-Hur," and Taylor in the groundbreaking science fiction film "Planet of the Apes." His powerful performances and commanding screen presence made him one of the most recognizable and popular actors of his time.

Beyond his acting career, Heston was also a passionate advocate for civil rights and conservative politics. He was a vocal supporter of the American Civil Liberties Union and served as president of the Screen Actors Guild. He later became a prominent figure in the conservative movement and was

a staunch supporter of Republican presidents Ronald Reagan and George W. Bush.

Heston's life was not without controversy. His conservative views drew criticism from some quarters, and his support for the Vietnam War alienated many fans. However, he remained true to his beliefs and never shied away from speaking his mind.

Charlton Heston was a complex and fascinating man who left an indelible mark on both Hollywood and American history. This biography is a fitting tribute to a true legend and a must-read for anyone interested in the golden age of film and the life of one of its most enduring icons.
