In an era marked by constant distractions and an overwhelming bombardment of entertainment, A.W. Tozer's writings on worship and entertainment offer a beacon of clarity and timeless wisdom. Tozer On Worship And Entertainment Selected Excerpts delves into the depths of these profound teachings, providing an invaluable guide for those seeking a deeper understanding of our relationship with God and the world around us.

## **The Essence of Worship**

Tozer believed that worship is not merely an act of religious obligation, but a response to the overwhelming reality of God's presence. True worship, he argued, is not about performing for an audience but about encountering the Divine in a transformative way.

***“ "Worship is not a performance but a surrender. It is not a giving to God of what He does not already possess, but a yielding of ourselves to Him who made us." ”***

Tozer emphasized that worship is not limited to the confines of a church building or a specific set of rituals. Rather, it is a way of life that permeates every aspect of our being.

## **The Dangers of Entertainment**

While entertainment has its place in human life, Tozer warned against its potential dangers when it becomes a substitute for true worship. He believed that excessive entertainment can lead to a shallow and superficial spirituality, obscuring our ability to connect with God.

***“ "Entertainment is not necessarily evil, but it can be a snare. It can consume our time and energy, leaving us with no room for the things that are truly important." ”***

Tozer urged Christians to be discerning in their choices of entertainment, choosing those that uplift the soul and draw us closer to God.

## **Finding Balance**

Tozer did not advocate for a complete rejection of entertainment. Instead, he emphasized the importance of finding balance in our lives. He believed that it is possible to enjoy entertainment without allowing it to become a distraction from our spiritual growth.

***“ "Balance is the key. We need to make time for both worship and entertainment, but we must be careful not to let one crowd***

***out the other." ”***

Tozer's writings offer practical advice on how to create a life that is rich in worship and entertainment, without succumbing to the dangers of either extreme.
