Map 2: European Explorations and Claims (1497 - 1763)

Follow the intrepid voyages of European explorers as they venture into uncharted territories, laying claim to lands that will become the foundation of Canada. Trace the early struggles for dominance between France and Great Britain, setting the stage for future conflicts.

Map 3: The American Revolutionary War and its Impact (1763 - 1815)

Immerse yourself in the pivotal events of the American Revolutionary War, as its ripples spread across Canada. Witness the influx of Loyalists and the shaping of new political alliances, laying the groundwork for a distinct Canadian identity.

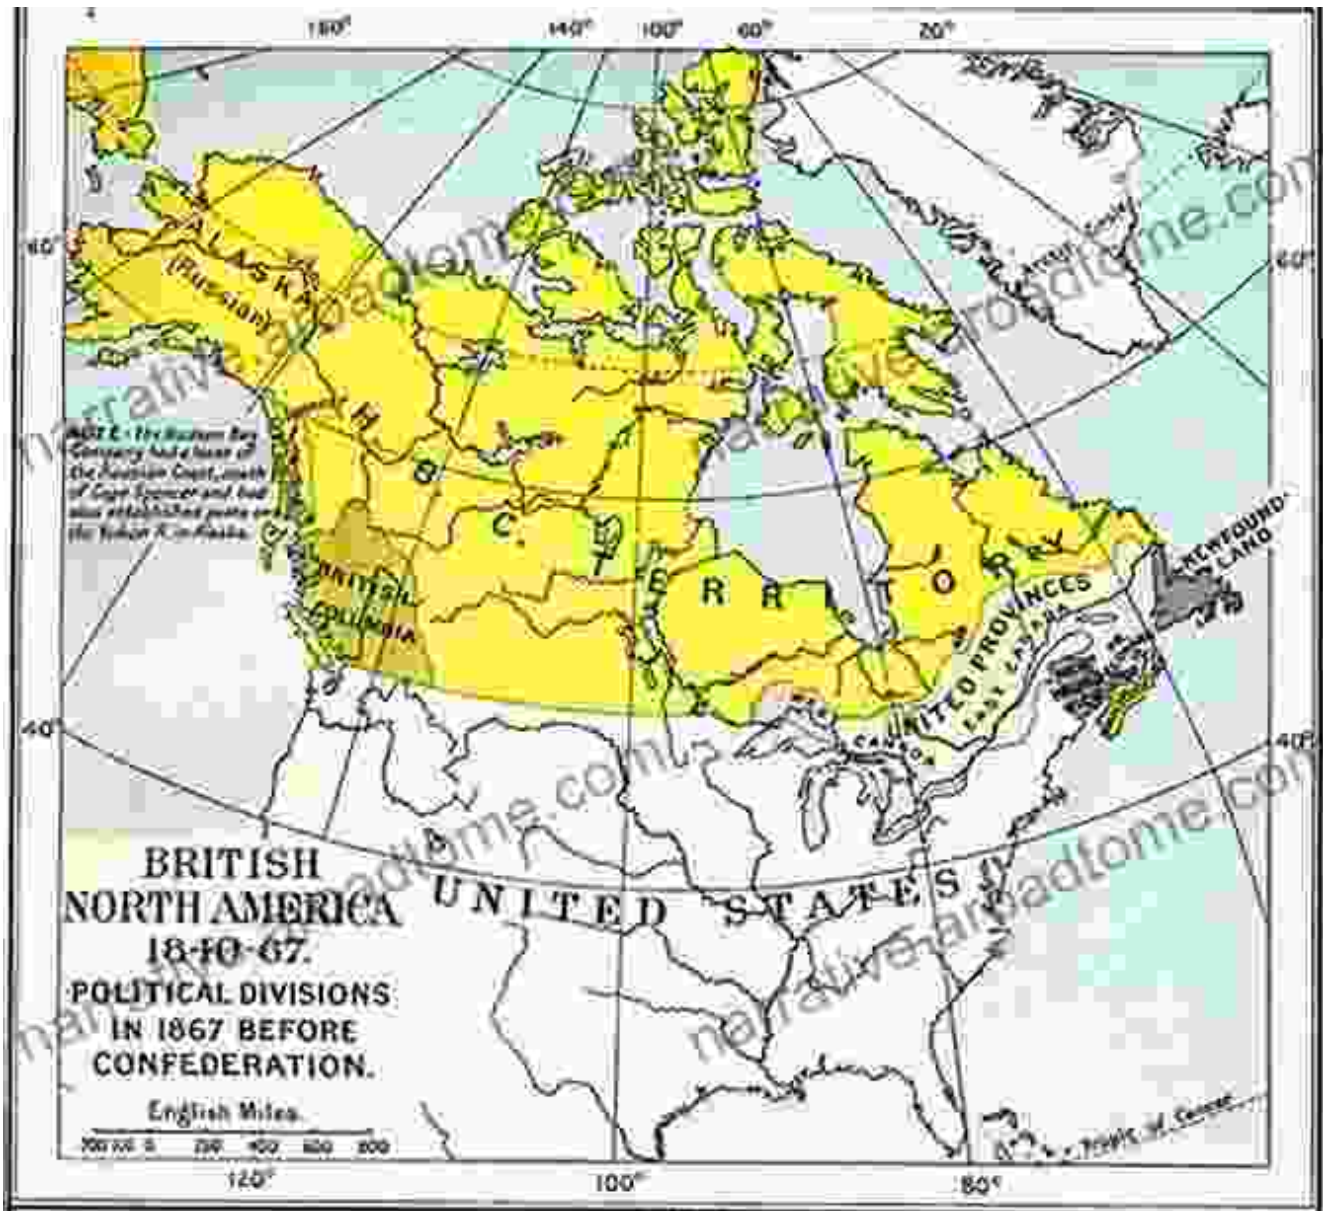

Map 4: The War of 1812 and the Rise of Canadian Nationalism (1812 - 1815)

Experience the nail-biting conflicts of the War of 1812, as Canadians unite to defend their homeland against American invasion. Witness the emergence of a growing sense of national pride and the strengthening of Canadian autonomy.

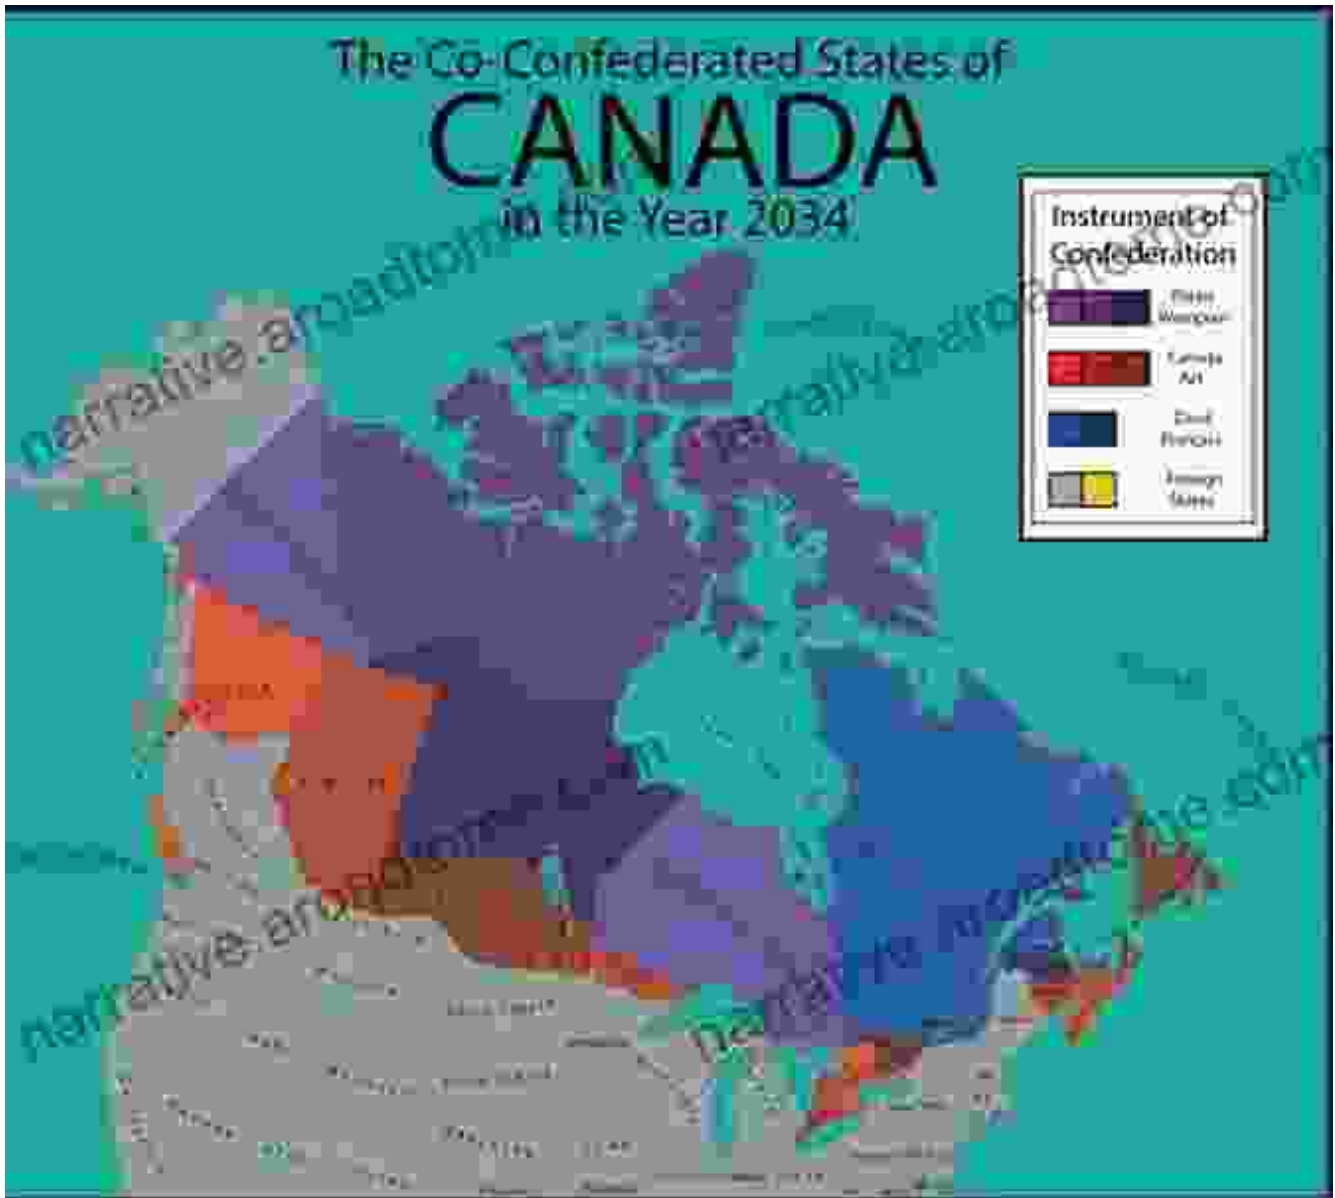

Map 5: British North America and Confederation (1815 - 1873)

Trace the expansion and transformation of British North America, leading to the historic formation of the Dominion of Canada in 1867. Explore the challenges and triumphs of nation-building, as diverse provinces unite under a common banner.

Map 6: The Expansion of Canada (1873 - 1914)

Embark on the westward expansion of the young nation, as Canada acquires vast territories and establishes its presence from coast to coast. Witness the growth of the railway system, the settlement of the Prairies, and the challenges of integrating new immigrants.

Map 7: Canada in the First World War (1914 - 1918)

Delve into Canada's courageous involvement in the First World War, as its soldiers prove their mettle on foreign battlefields. Explore the sacrifices made, the technological advances, and the profound impact the war had on Canadian society.

Map 8: Canada in the Interwar Years (1919 - 1939)

Witness the challenges and opportunities of the interwar period, as Canada navigates economic depression, social unrest, and the rise of political extremism. Explore the cultural and technological advancements that shape the nation during this transformative time.

Canada during the Interwar Years...

- Canada in the 20s, after the war
- Despite the fact that the war was over, 4 years of horrors left behind, Canadian soldiers still found themselves facing numerous difficulties:
 - It took years for some to actually make their way home; shipping was inadequate
 - Soldiers wanted more \$\$ in the form of pensions etc; soldiers felt they were worth more than they got
 - Adjusting to “normal” life was difficult; what had been important before the war just didn’t seem as such after
 - French-English relations had forever changed; the conscription issue had torn the “country in two”, resentment would affect an entire generation...

Map 9: Canada in the Second World War (1939 - 1945)

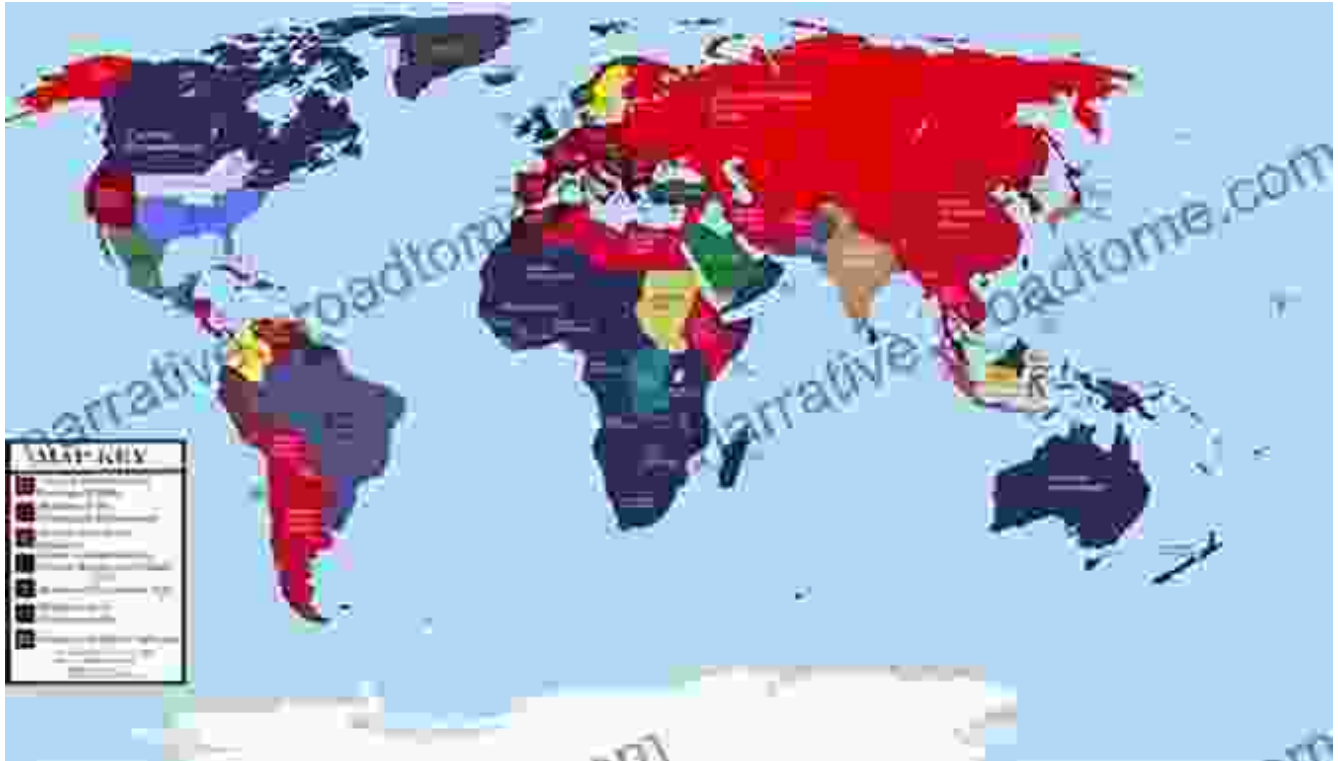

Step into the global conflict of the Second World War, as Canada emerges as a key ally on the home front and on battlefields around the world.

Witness the mobilization of industry, the sacrifices made, and the lasting impact the war has on the country.

Map 10: Canada in the Cold War and Beyond (1945 - Present)

Unveil the complexities of the Cold War era, as Canada navigates geopolitical tensions, social changes, and economic challenges. Explore the nation's role in international diplomacy, its evolving multiculturalism, and the ongoing quest for reconciliation with Indigenous peoples.
