In *Purple Thoughts: Demystifying Girls and Women with Epilepsy*, author and epilepsy advocate Susan Axelrod shares her personal story of living with epilepsy for over 40 years. She also provides valuable insights into the condition, from its causes and symptoms to the latest treatments and resources available.

This book is an essential guide for girls and women with epilepsy, their families, and anyone who wants to understand the unique challenges they

face. Axelrod writes with compassion and humor, providing practical advice and support for those living with epilepsy.

What's Inside Purple Thoughts?

Purple Thoughts covers a wide range of topics related to epilepsy, including:

- The different types of seizures and how to recognize them
- The causes and risk factors for epilepsy
- The latest treatments for epilepsy, including medication, surgery, and lifestyle changes
- The unique challenges faced by girls and women with epilepsy, such as menstrual cycle-related seizures and pregnancy
- The importance of self-advocacy and finding support

Axelrod also includes personal stories from other girls and women with epilepsy, providing a valuable perspective on the condition. These stories are both inspiring and informative, and they offer hope and support to those who are struggling.

Who Should Read Purple Thoughts?

Purple Thoughts is an essential resource for:

- Girls and women with epilepsy
- Family members and friends of girls and women with epilepsy
- Healthcare professionals who treat girls and women with epilepsy

- Anyone who wants to learn more about epilepsy

If you are looking for a comprehensive and compassionate guide to epilepsy, *Purple Thoughts* is the book for you. This book will help you to understand the condition, find the support you need, and live a full and meaningful life.
