## **Book Excerpt**

"The first time I saw him, I didn't even know what to call it. He was just a shadow in the darkness, a whisper in the wind. But I knew, even then, that he was dangerous.

He came to town like a thief in the night, stealing our innocence and leaving a trail of bodies in his wake. We were all afraid, but no one more so than me. Because I knew that he was after me.

I am the Prince of Darkness, and I am here to claim what is mine."
