Season My World is a captivating exploration of the world of food and cooking, written by award-winning chef and food writer, Vanya

Durgaprasad. Through a series of personal essays, recipes, and stunning photography, Vanya takes readers on a culinary journey to discover the essence of food.

The book is divided into four sections, each focusing on a different aspect of the food experience. In the first section, Vanya explores the role of food in our lives, from the way it nourishes us to the way it brings us together. In the second section, she shares her passion for cooking, offering readers a glimpse into her creative process and providing tips and techniques for creating delicious meals.

The third section of the book is a collection of recipes, each inspired by a different season. From hearty winter stews to refreshing summer salads, Vanya's recipes are a celebration of the bounty of the earth. And in the fourth section, Vanya reflects on the importance of food in our culture, exploring the ways in which it shapes our traditions and connects us to our heritage.

Season My World is a beautifully written and deeply personal book that will appeal to anyone who loves food and cooking. Vanya's passion for her craft is evident on every page, and her writing is both inspiring and informative. Whether you're a seasoned chef or a home cook just starting out, you'll find something to love in this book.
